BACK GIVES OUT

Plenty of Bethel Readers Have This Experience.

You tax the kidneys—overwork them. They can't keep up the continual strain.

The back may give out—it may ache and pain.

Urinary troubles may set in. Don't wait longer—take Doan's.

Bethel people tell you how they act. Ask your neighbor!

H. E. Littlefield, prop. auto service, Main St., Bethel, says: "Some years ago my kidneys were out of order. I had been overworking at the time and was feeling weak and my back was painful, especially mornings. I was dizzy head, and when I stooped, black specks appeared before my eyes. My kidneys were in bad shape. A friend suggested Doan's Kidney Pills so I began using them and one box cured me up in good shape. I have never had any return of the trouble and recommend Doan's Kidney Pills to anyone in need of a good kidney medicine."

Price 60c, at all dealers. Don't simply ask for kidney remedy—get Doan's Kidney Pills—the same that Mr. Littlefield had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

UPSON BOARD

SEVEN hundred women were shown this new Super-Surface with samples of other surfaces.

Ninety-nine per cent enthusiastically selected Super-Surface as the ideal lining for the finest rooms in their homes. The opinion of 1500 wall board dealers was likewise asked. Again, over ninety-nine per cent favored Super-Surface!

Upson Board is different in other respects as well. Not only is it nearly twice as strong—harder and stiffer—but it is also, now, the most beautiful board.

Look up at your ceilings—look at your walls! If the plaster is unsafe or unsightly, it is time to Upsonize! Your carpenter can apply the big, sturdy panels of Upson Board right over the old plaster.

INQUIRE OF
BARTLETT BROS., Bethel, Me.

The fire company was called out last Friday afternoon to a fire in Thurston's mill, but it had been extinguished before the fire department arrived on the scene. A steam pipe burst on the boiler, causing it to back fire, blowing the fire box doors open and scattering live coals over the engine room. By quick work on the part of the mill crew the fire was put out without any damage.

Easy Darning.
Mrs. Florin had a new maid, and one morning as she entered the library she was somewhat surprised to find the girl seated in one of the chairs with her hands folded. "What?" cried the mistress. "Here you are sitting down! Why, you were sent in here to darn the rug!" "Yes, ma'am," was the girl's reply. "But I've lost the darning, and as I am sitting on top of the chair in turn,"—Marger's Magazine.
